

DBJ Group commits additional capital to Vantage Infrastructure

London, 1 November 2019 - Vantage Infrastructure is pleased to announce that it has received an additional commitment from its existing client the Development Bank of Japan Inc. and DBJ Asset Management Co., Ltd (collectively, "DBJ Group"). This further commitment is an extension to the original infrastructure debt mandate focused on OECD countries announced in March 2017.

"We are delighted and honoured to have had the DBJ Group as one of our key infrastructure clients for several years, and as a sophisticated and knowledgeable institutional investor, they have entrusted us with additional capital to continue our valued partnership," said Tim Cable, Senior Partner, Vantage Infrastructure. "We look forward to continuing to work closely together and extending the relationship over the coming years."
