

**Vantage Infrastructure awarded top A+ ESG score in all categories by PRI**

London, 31 July 2020 - Vantage Infrastructure is pleased to announce that, in the 2020 United Nations-supported Principles for Responsible Investment (PRI) assessment report, it was awarded the top score of A+ in all three assessment categories, ESG strategy and governance, ESG integration across Infrastructure Equity and ESG integration across Fixed Income. Vantage Infrastructure’s approach and processes have been recognised to be above the median scored by its peers in all three categories.

“We are delighted that our continuous efforts to be a leader in sustainability have been recognised again by the PRI” said **Valeria Rosati, Senior Partner, Vantage Infrastructure**. “Improving on last year’s high ranking and achieving top scores in the 2020 report will keep us striving for more. We have been focussing on innovative solutions in the field of ESG integration and sustainable infrastructure funds management, in order to best serve our investors and deliver optimal societal outcomes.”

**Summary Scorecard**

Module Name	Vantage score	Vantage score	Median score

### **About the PRI**

The PRI is the world's leading initiative on responsible investment. The Principles for Responsible Investment are a voluntary set of investment principles for incorporating environmental, social and governance issues into investment practices. In implementing the principles, signatories contribute to developing a more sustainable global financial system. The principles have signatories including asset owners, investment managers and service providers from over 50 countries.
