

### Vantage Infrastructure awarded 5 Stars by GRESB

**London, 18 October 2022** - Vantage Infrastructure is pleased to announce that it has maintained its GRESB 5-Star Rating and delivered a further increase in its score in the 2022 GRESB Infrastructure Assessment. These results are a recognition of Vantage's continued commitment to sustainability.

In addition, all of the companies included in Vantage Infrastructure's equity portfolio ranked in the top 4 in their peer groups. Their GRESB scores ranged from 92 to 97 (out of 100), an impressive achievement for the fourth consecutive year.

"We are delighted with this performance, which continues to show progress over time," said **Valeria Rosati, Senior Partner, Vantage Infrastructure**. "As part of our long-standing ESG strategy, we work closely with management teams to develop tailored plans and address gaps. We value the opportunity provided by the GRESB survey to benchmark the effectiveness of these measures against peers. Ultimately, this is key to our clients and stakeholders and these excellent results reaffirm our firm's commitment to delivering positive outcomes".
